

REMARKS

A. Interview Summary:

The Examiner has indicated to the undersigned Applicants' attorney that no further comments from Applicants are required regarding the interview of November 25, 2003.

B. Amendment to the Drawings

Applicants have amended FIG. 19A responsive to the Examiner's objection.

C. Amendment to the Specification

Applicants have amended the specification to delete the numeral 216.

D. Rejections under 102(a)

Claims 38-65 were rejected under 35 U.S.C. 102(a) as allegedly being anticipated by *Goel (Client User Interface Specification for Video-On-Demand Application Development on the Explorer 2000™ Digital Home Communications Terminal)* hereinafter referred to as the *Goel* reference. Applicants respectfully traverse these rejections. As indicated in the Affidavit attached hereto as Appendix A, all the inventors of the current application contributed to the subject matter described in the *Goel* reference. Therefore, claims 38-65 are allowable over the *Goel* reference.

E. Rejections under 102(f)

Claims 38-65 were rejected under 35 U.S.C. 102(f) on the basis that the claimed subject matter allegedly appeared to be solely invented by Shashi Goel. Applicants respectfully traverse these rejections. As indicated in the Affidavit attached hereto as Appendix A, all the inventors of the current application contributed to the subject matter described in the *Goel* reference.

CONCLUSION

Applicants respectfully maintain that the currently pending claims are in condition for allowance. Should the Examiner have any comments or suggestions that would place the subject patent application in better condition for allowance, he is respectfully requested to telephone the undersigned attorney at (770) 933-9500.
